

Dwellable Beta Test

Participant Information Pack

Welcome

Hi **[name]**, thanks for helping test Dwellable over the next **10 days**. Your feedback directly shapes what this becomes.

YOUR ROLE IN THIS BETA

Phase 1 (Next 10 Days) — YOU ARE HERE

Test core features: voice capture, transcription, saving & reviewing moments

Phase 2 (Coming Next)

We'll refine based on your feedback, then introduce features that help you go deeper with God

What is Dwellable?

Dwellable is a voice-first app designed to help you quickly capture meaningful moments and learnings with God. Simply speak, and your moment is transcribed and saved for you. Your moments are **encrypted and private** — we'll never share your data.

App Installation

1. Download the TestFlight App
2. Click on Dwellable App
3. Download Dwellable App
4. Sign in with the credentials emailed/texted to you

Quick Start (2 Minutes)

1. Tap the red record button
2. Share the moment you just experienced with God
3. Review your transcription & ensure it matches what you said
4. Tap Save Moment
5. You've created your first moment!

■ PRO TIPS FOR BEST RESULTS

- ✓ Find a quiet space (reduces background noise)
- ✓ Speak clearly and naturally
- ✓ Each moment can be up to 10 minutes
- ✓ Edit transcriptions after review (they're never perfect!)
- ✓ Short, focused moments = better transcriptions

Feedback Form

While you're capturing moments throughout your 10 days, please share your feedback using the form below. It takes about 8 minutes to complete.

■ **Airtable Feedback Form:** [\[INSERT LINK HERE\]](#)

You can submit feedback daily or all at once at the end — whatever works for you.

What Happens After Your 10 Days?

■ **Days 1-2 After Test Ends:** We analyze all feedback and identify patterns

■ **Weeks 2-3:** We ship refinements based on your feedback

■ **You'll See Changes:** We'll show you what changed and say "thank you [name]"

■ **Phase 2 Begins (Est. Early April):** 50% of participants are selected for Phase 2 testing (based on engagement + feedback quality)

Within the feedback form, you can indicate if you'd like to participate in Phase 2

Experiencing Issues?

App won't record? Force quit and reopen the app

Transcription glitchy? Try recording in a quieter space with clearer audio

Thanks for being part of the Dwellable journey.
We can't wait to see what you capture and hear what you think.

Cheers,
Kell & the Dwellable Team
